Dear Sir:

In response to the Patent Office action of August 21, 1998, please amend the above application as follows:

In The Specification

On page 1, after the title insert:

"Related Application"

This application is based upon United States provisional Application Serial No. 60/032,123 filed on December 5, 1996.

Statement Of Government Interest

This invention was made with U.S. Government support awarded by the National Institute of Health (NIH) Grant No. CA 43920. The U.S. Government has certain rights in this invention."

Remarks

Amendments have been made in the specification to reference the earlier filed provisional application and to acknowledge government rights. In view of these
